

## Environmental Policy

ServicePRO LLC offers a full range of Ship Agency and Husbandry Services in all major Lebanese Ports. We carry out our business with integrity and according to the industry's quality, safety, and environmental standards, which is a key to achieving our company's vision: "Build on our legacy and keep improving to become a leader in our operating areas. "

Environmental care is one of the Core Values at Service Pro LLC. We shall continuously strengthen our brand through our commitment to environmental care. Continuous improvements, environmental protection and prevention of pollution shall be fundamental requirements of all operations, as well as compliance with applicable legislation, obligations, ISO 14001:2015 requirements and other requirements.

We shall endeavor to reduce the environmental impact of our products and services by:

- ❖ Prevent pollution
- ❖ Protect the Environment in all aspects of our business and in particular to significant aspects of our operations, to prevent any adverse environmental effects
- ❖ Recycle / reuse materials wherever practical
- ❖ Minimize the environmental impact, for the life cycle (including disposal) of all plant, equipment, and other physical assets under our control.
- ❖ Comply with legislation regulations & relevant Codes of Practice, at all times.

Service Pro is committed to be a proactive and competent partner in finding solutions for long-term sustainable energy.

We seek to ensure that a similar degree of environmental care is exercised by our working partners and all relevant interested parties in order to continually enhance environmental performance.
